

Adis VIP Service:

Priority Publication for Very Important Papers!

Fast-track pathway for papers that
really are time-critical

The Adis VIP Service provides fast-track processing timelines with submission to first decision in **15 calendar days** (guaranteed). Submission to online publication can be achieved in as little as **30 calendar days**, depending on the timely and adequate revision of the draft manuscript.

Our journals are distributed to most healthcare organizations and hospitals worldwide, assuring a wide reach and diverse readership for your work.

- 1 Pre-submission assessment confirms the target journal and develops a customised publication timeline for your article
- 2 Authors submit the manuscript with accompanying high-resolution figure files in the appropriate format directly to the relevant journal in Editorial Manager® and inform Stephen O'Connell (journalvip@adis.com) and Clare Cook (clare.cook@springernature.com)
- 3 Adis editor assesses manuscript within 1 day
- 4 Peer review: 14 days
- 5 Adis decision on manuscript sent to authors within 1 day
- 6 Author resubmits an appropriately revised manuscript within 7 days and informs Stephen O'Connell (journalvip@adis.com)
- 7 Adis final decision on manuscript within 1 day (Acceptance)
- 8 Author completes required online tasks and copyright transfer/ Open Choice details within 1 day
- 9 Author receives proofs within 3 days
- 10 Finalized article published online within 7 days of Acceptance

Open access options

Rapid and responsive

Exceptional service

* Open access journal. All other journals offer the option to publish open access with Springer Open Choice. Article processing charge for open access publication is not included in the VIP fee.

More Adis VIP Service details:

- VIP fee: €16,490/US \$20,690 per manuscript, payable on publication. There is no fee for rejected manuscripts.
- The VIP service relies on authors keeping to the enclosed instructions and making appropriate manuscript revisions within the specified timelines.
- All manuscripts are subject to the same rigorous, independent peer review performed for every Adis submission. Care should be taken to address all reviewers' comments at the time they are provided to simplify acceptance post-peer review, which is not guaranteed.

Standard non-VIP timelines for manuscripts submitted to Adis Premier journals are:

- Peer review in 4-6 weeks
- Acceptance to online publication in approximately 3 weeks
